

BEING A COACH

Learn from influencers and experts. Sharpen your knowledge. Gain and share new ideas and best practices. Learn about the latest techniques and insights.

About The Course

This course builds deep awareness within managers and leaders on the need for coaching. The course helps participants reflect on how they can show up being coach-like at the workplace. The course also helps managers differentiate between being a coach vs. doing coaching.

Course Outline

- Causes of poor performance
- Why coaching skills is critical in creating a high performing team
- Difference between coaching, feedback and training AND when to use them.
- Difference between doing coaching and being a coach.
- How to show up like a coach at the workplace.

Who Should Attend

For team leaders and line managers who have a responsibility for managing the performance of their direct reports.

Course Methodology

'MicroLearningLabs' are run in-house and last 90-120 minutes. These workshops are conducted online or face to face using experiential learning techniques that keep participants engaged.
