

# COMMUNICATING WITH STYLE

Learn from influencers and experts. Sharpen your knowledge. Gain and share new ideas and best practices. Learn about the latest techniques and insights.

## About The Course

Communicating With Style introduces you to the concept of D.I.S.C. The universal language of behaviors. This course can be done using a D.I.S.C. assessment profile or without one. The workshop is a life changing experience where participants learn about how behaviors are predictably different. You will also learn how to adapt to various types of behaviors while communicating to get the most out of your interpersonal relations.

## Course Outline

- Learn about how behaviors work.
- Learn the construct of D.I.S.C.
- Be able to identify and describe various behavioral attributes in people.
- Learn how to adapt your communication in order to minimise conflict.
- Learn various approaches to influencing a variety of personality styles.

## Who Should Attend

This course is designed for leaders, managers, supervisors and any other professional looking to improve their communication styles.

## Course Methodology

'MicroLearningLabs' are run in-house and last 90-120 minutes. These workshops are conducted online or face to face using experiential learning techniques that keep participants engaged.
