DEVELOPMENTAL FEEDBACK

Learn from influencers and experts. Sharpen your knowledge. Gain and share new ideas and best practices. Learn about the latest techniques and insights.

About The Course

Feedback is usually seen quite negatively by most people. Truth be told, it is often a blessing in disguise. However, most times feedback conversations go awry. This primarily happens because one is unable to land the feedback correctly. This workshop teaches you a simple method of delivering improvemental feedback supported by principles and skills to do so.

Course Outline

- Why give feedback, in the first place?
- Principles of rendering improvemental feedback.
- BID technique of delivering feedback.
- Listening and Questioning as key skills in providing feedback,
- How to be coach-like during a feedback conversation.

Who Should Attend

For team leaders and line managers who have a responsibility for managing the performance or their direct reports.

Course Methodology

'MicroLearningLabs' are run in-house and last 90-120 minutes. These workshops are conducted online or face to face using experiential learning techniques that keep participants engaged.
