

# DIVERSITY & INCLUSION

Learn from influencers and experts. Sharpen your knowledge. Gain and share new ideas and best practices. Learn about the latest techniques and insights.

## About The Course

Whether you are working with diverse people around the world or in the next office, it is important to understand the value that differing perspectives bring to the workplace.

This workshop helps people recognise that we all make up the diversity of the organisation. NO EXCEPTIONS! Understand and then unlearn your biases and look for opportunities to practice Including Others whenever possible - inclusion is that deliberate effort to leverage diversity.

## Course Outline

- What is Diversity & Inclusion? Why is it important?
- How is Diversity different from Inclusion?
- How Does DE&I Impact the organisation & its employees?
- Cognition, Prejudice and Discrimination
- What are some commonly seen 'Unconscious Biases' that lead to exclusion?

## Who Should Attend

Managers and leaders from any field can greatly benefit from this workshop. Companies with ESG mandates would also benefit from the course.

## Course Methodology

'MicroLearningLabs' are run in-house and last 90-120 minutes. These workshops are conducted online or face to face using experiential learning techniques that keep participants engaged.
