

FIRST-TIME MANAGER

Learn from influencers and experts. Sharpen your knowledge. Gain and share new ideas and best practices. Learn about the latest techniques and insights.

About The Course

This course is built to help a first-time manager in preparing them for their new role in managing people. The First-time manager course is laser focused on how a manager's role is different from an individual contributors role and what they need to change in order to succeed as a new manager.

Course Outline

- The role of a manager vs individual contributor.
- Transition to management.
- Setting expectations with the team.
- Making goal setting conversations easy.
- Delegating, allocating and abdicating.
- Monitoring performance of the team to give them feedback and coaching.

Who Should Attend

This course is designed for first time managers. The course may be taken by existing new managers or budding managers getting ready for a managerial role.

Course Methodology

'MicroLearningLabs' are run in-house and last 90-120 minutes. These workshops are conducted online or face to face using experiential learning techniques that keep participants engaged.
