

LEADING THROUGH CHANGE

Learn from influencers and experts. Sharpen your knowledge. Gain and share new ideas and best practices. Learn about the latest techniques and insights.

About The Course

The training focuses on developing the critical skills needed to effectively manage change in the workplace. It also covers how to motivate people through the change process. The course aims at providing leaders and managers with some effective skills and knowledge for managing and communicating change.

Course Outline

- The case for managing change
- Types of Changes within an organisation
- Emotional responses to change
- Stages of change management
- Building a change management plan

Who Should Attend

New and experienced managers who have a responsibility for leading and managing people through change at work.

Course Methodology

'MicroLearningLabs' are run in-house and last 90-120 minutes. These workshops are conducted online or face to face using experiential learning techniques that keep participants engaged.
